

SERVICE/SALES POSITION OPENING
SOUTH CALIFORNIA

Innovative Liquids LLC is a family owned business that services the Dairy industry with our nutrition products and programs. We believe the success of any dairy and dairymen are based on making the most successful transition of their cows from dry to lactating. Our mission is to serve and team up with dairymen, employees, nutritionists and veterinarians to improve the chances of having a successful transition program. We believe that it's only with their success that we can succeed.

We have a Team of people servicing the Western US and we are opening a position in the South-Central Valley of California. The position involves servicing customers on a daily basis interacting with cows through collection of urine, blood and feed samples. Troubleshooting problems in transition programs and bringing our knowledge and programs to service them. Interacting with current and potential customers in the field and educating them on the benefits of using our products and services. Attend industry events and education seminars that helps support the industry and help us grow as a company.

We will receive resumes until the end of March, 2021. Interviews for qualified applicants will be scheduled during the month of April, 2021. Job will be expected to start on June 2021. Email resumes to lrodriguez@iliquids.net or call if you have questions 916-833-1280.

The position offers a competitive salary and benefits. It requires to live around the Hanford-Visalia-Tulare area ideally or within the territory. Innovative Liquids is a rapidly growing company that have great opportunities to grow personally and professionally. If you are interested in applying for this position, please contact us.

Sincerely

Luis Rodriguez PhD., DIPL ACAN
